UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE BOARD OF PATENT APPEALS AND INTERFERENCES

LUTZ **HEUER**, PETER WACHTLER, MICHAEL SCHWAMBORN, MARTIN KUGLER, AND HANS-ULRICH BUSCHHAUS, Senior Party (U.S. Application 08/888,609),

v.

MARK DANIEL McDADE **Junior Party** (U.S. Patent 5,874,456).

Patent Interference No. 105,609 (MPT) (Technology Center 1600)

REDECLARATION – Bd. R. 203(c) 2 3 This interference was initially declared with Heuer as senior party based upon its earliest accorded constructive reduction to practice date of October 5, 4 1992. (Notice Declaring Interference, p. 5). McDade was designated junior party 5 based upon an accorded earlier constructive reduction to practice date of February 6 **2, 1993**, the date of filing its parent U.S. 08/012,550 application. (*Id.*). 7 As explained in Order (Paper 3), the Board was unable to review McDade's 8 involved '609 and parent '550 application file histories at the time of declaration 9

- 1 (the files appear to be lost). McDade, in response to the Board's request, has filed 2 its best available copy of the '609 and '550 file histories. (McDade Response to
- 3 Order, Paper 10). The Board exercises its discretion and revisits McDade's
- 4 accorded constructive reduction to practice date in light of the file histories
- 5 submitted by McDade. Based upon its review of the file histories, the Board
- 6 determines that McDade's earliest constructive reduction to practice date is
- 7 February 5, 1992, the filing date of McDade's GB 9202378 application.
- 8 The Board redeclares the interference to accord McDade constructive
- 9 reduction to practice benefit of its February 5, 1992 GB application. McDade's
- 10 earliest accorded constructive reduction to practice date now precedes that of
- Heuer (February 2, 1992 v. October 5, 1992). As such, the Board designates
- 12 McDade as senior party and Heuer as junior party.
- Provided below is the redeclared accorded constructive reduction benefit for
- each party for Count 1, the sole count in interference. No change is made to the
- 15 Count or claim correspondence.
